

# Epi-Ready

Thank you for purchasing Epi-Ready. Once mounted, you can feel comfortable that your emergency epinephrine is in a uniform, readily available location. When you need it, it is "Right There"

## Mounting Instructions

### Included in Package:

- 1 Epi-Ready
- 1 Package of 4 Screws and 4 Anchors

Solid attachment with all four (4) screws is required for proper use

Questions or Comments please call 1-877-EPI-READY (374-7323) or go to [www.Epi-Ready.com](http://www.Epi-Ready.com). Made in the USA.

### Suggestions for Use/Location:

Home - area of exposure (i.e. kitchen) - near door (reminder to take epinephrine with you)

School - nurse's office/principal's office - area of exposure (i.e. cafeteria, classroom, gym)

Relative's/Friend's Home

Daycare/Preschool/Afterschool

Work
